Paper Application Form

If you wish to apply to CAO using the paper application form please contact CAO well in advance of the closing date and a copy of the form will be posted to you.

The CAO form consists of 2 pages

First page (Standard Application)

- Your personal details
 - Please note all applicants must supply a valid email address.

- Your course choices
 - This page must be completed by **ALL** applicants and also will be sufficient for applicants who only want to be assessed on their Leaving Certificate and or full QQI (FETAC) level 5/ 6 award results

Second page (Non-Standard Application)

Is designed to cater for non-standard applicants e.g. mature students

It is the applicant's own responsibility to ensure that the application is submitted accurately and on time.

CAO recommendation – Online Applications

CAO advise applicants to avoid the use of smartphones or tablets when submitting an online application to prevent errors or issues of device compatibility.

How are offers decided?

Eligible applicants (those who satisfy the basic entry requirements) are placed on an order of merit list for each course to which they have applied.

Their position on the order of merit list is decided....

- A. For those presenting Leaving Certificate/QQI (FETAC) results only, on a points score, based on their examination results.
- B. For mature applicants and those presenting other examinations, the place on the order of merit is based on a variety of evaluation procedures which might include examination results, interview, written application or assessment.

Restricted application courses:

The late application deadline does not apply to certain courses e.g. art, music, drama, because these courses have early assessment procedures e.g. aptitude tests, interviews, portfolio assessment etc. Check with the individual HEI for more information and if you are interested in these courses, ensure to include these on your form before February 1st.

Incorrect or incomplete applications:

CAO reserves the right to suspend processing of any application which is considered to be either incomplete or inaccurately completed. Processing will resume only after you make good any deficiency by a specified date and upon payment of an extra fee of €10.

Evidence of submitting an application:

If there is any loss or delay of an item in the post, CAO will require proof of postage. With the very kind agreement of An Post, CAO have printed a Certificate of Posting on the back page of the CAO handbook. Further certificates are available (free of charge) at post offices. Every time you post something to CAO you should have a Certificate of Posting verified at a Post Office. *Please do not register your post.*

If you apply online, you will be advised on screen if CAO has received your application. You should save/ print a copy off this on-screen message.

Late Applications: received by CAO after 1st February 2021

- Late applications may NOT be made for restricted application courses.
- If you are applying for entry to nursing/ midwifery, and/ or primary teaching on the basis of mature years you must apply for these courses through CAO by 1st February 2021 at 5.15pm.
- Individual HEI's may have further restrictions on late applications e.g. some may not consider late applications from certain categories of applicants. In particular, mature applicants, transfer applicants and those presenting qualifications other than recently-taken EU school-leaving examinations should make enquiries from the appropriate Admissions Office **BEFORE** submitting a late application.
