

Christmas Cooking and Christmas Card Painting **Community Education Virtual Groups**

Have you ever wished you could take part in a short course but unfortunately there is nothing taking place in your own area? Or maybe you would simply like to partake in something from the comfort of your own home.

The new Virtual Community Education Groups which are being launched by KCETB might be the thing for you. These groups are open to everyone and you don't need to live in Carlow or Kilkenny to join.

KCETB will be offering virtual short courses in a variety of subject areas. For this Christmas season we are offering Cookery for Christmas and Painting Cards or Christmas. These courses will be run online - you simply need a computer, laptop or iPad.

- The course will be free of charge.
- Each learner will need to complete a Learner Detail Form which will be posted out.
